

HS-M230

In-Ear Earphones with Microphone
Instantly switch between calls and music

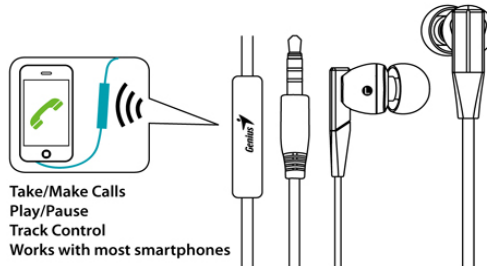

Enjoy high-performance sound, big bass and easily make and take calls handsfree with the new Genius in-ear headphones, HS-M230. The 9mm driver delivers explosive sound performance with enhanced sound isolation. The tangle-free dual color cable includes an in-line remote and microphone for clear phone conversations when you are on the go. Three interchangeable rubber ear tips provide a customized fit experience as well as block out external noise. Choose from four available colors, red, turquoise, orchid and blue to fit your lifestyle.

Red/Turquoise/Orchid/Blue
